Helping People Resolve Conflict

A Program of
Wisconsin Community Services, Inc.

What is Conflict Resolution?

Through this interactive workshop, you will become more effective in conflict resolution techniques by sharpening your listening and communication skills. You will learn how to assist employees, co-workers, clients, and others to communicate and resolve their problems. These skills may enhance your life as a parent, spouse, and friend as well. As you use these life skills, you will find that they will become more and more effective. Successful conflict resolution means improving the quality of life at your home, workplace, and in your community.

Workshop Topics

Conflict Resolution
